#### Year 9 Good to Great Maths Challenge

Last week, Year 9 Good to Great students took part in a maths team challenge. Students worked in teams of 4 to tackle a variety of engaging mathematical activities while developing their teamwork and communication skills.

All students worked very well together on the three rounds with different teams taking the lead at different stages of the competition. The winning team were Alex Ducker, Zainulabidin Mohmed, Ayyan Atif and Ozair Patel.
