

P3 - but also your own children that you have been caring for. You do not want your child to be in danger do you? They have not lived a long enough life. I can not tolerate now ~~unfortunate~~ heart-breaking it would be to lose your family members.

P4 - finally, I have had enough with how your lives are so oppressive. It makes me upset thinking about it. We deserve revenge on those betraying ^{and barbaric} people! We deserve better! We deserve freedom!

conclusion
P5

I hope that you have learnt something new in this hard time. Please take this into consideration because as a team, we can! sadly they are not giving up but once you join the army you will get everything you have ever wanted in life. Thank you.
